THE chinch bug is a little thing, but he gets there all the same. He is less than a third of an inch long, but he extracts from the country's farmers an annual tax of \$60,000,000. It damages the wheat and corn crop \$20,000,000 each. The rest of its levy it divides among the lesser cereals. The energetic grasshopper costs us about \$50,000,000 a year. Possessed of an omnivorous appetite, the grasshopper destroys corn, wheat, rye, grass, pillages orchards and attacks almost every other kind of vegetation with perfect impartiality.

As sobriety and moderation in drinking is on the increase, it seems almost incredible that statistics show that the consumption of stimulants—that is, whisky, wine, beer etc., and their variants—costs \$18.33 per head in the United States, or \$91.65 for each family. The total cost of stimulants for the year ending June 30, 1904, is nearly \$1,500,000,000, or \$100,000,000 more than the average for the five years preceding. The enormous total can only be explained by the theory that the use of alcohol otherwise than as a stimulant is greatly increased.

SERIOUSLY threatened with civil war and whipped on land and sea, Russia is reduced to the occupancy of that narrow strip of land said to be between the devil and the deep blue sea, and the Czar is showing signs of interest in Japan's peace terms. It is high time, as every day will increase the exactions of the victors.

AN Indianapolis judge has decided that cigarettes can be smoked in Indiana if bought elsewhere, but if a fellow should give one of the little coffin nails to a friend he is in it good and strong. In other words the hoosier must go to another State to buy his cigarettes and then go 'way off by himself and smoke them.

COL. THOMAS B. DAVIS, a younger brother of ex-Senator Henry G. Davis, himself past 77 years of age, was elected to Congress at the special election held in the Second West Virginia District Tuesday. The Davis family seems to be returning to its usual run of luck.

A PENNSYLVANIA special covered the distance between Chicago and Pittsburgh, 468 miles, in 44 minutes without much effort. For 126 miles of the route the speed, including stops, averaged over 75 miles an hour. Who says we are not living in a fast age?

THE Brewers' Association at Atlantic City resolved that beer drinking promotes temperance. The whisky makers could just as truthfully assert that the more of their product a man imbibes the more pronounced a temperance man he will be.

PRESIDENT ROOSEVELT has bought a farm of 500 acres near Scottsville, Albemarle county, Va., for use as a camp. It is in the beautiful Piedmont region, and already real estate in that section is soaring heavenward.

A CHURCH at Cleveland, O., is to be nine stories high. The members are doubtless to be given probationary terms on each floor to the top, when that will be as near to heaven as they will ever get.

### Additional Local.

THE catalogue of the Crab Orchard fair, July 19, 20, 21, will be in the hands of the printer in about a week. President R. H. Bronaugh and Secretary W. D. Wallin were here yesterday "finishing up" on some special premiums.

BOBBITT'S HORSES.—Hon. Fontaine Fox Bobbitt has two fine young stallions which he thinks are world-beaters. He has named one of them Volcano De Martinique and the other Wild Man from Borneo. According to Mr. Bobbitt's description of them they are dandies. His Wild Zingarelle, the mare he claimed he could sell for \$100,000 in the event she would trot a mile in two minutes, was killed by a train before she accomplished that remarkable feat.

A MUCH-NEEDED rain fell Sunday and crops are simply "popping."

THE cattle business was dull here yesterday. Only a few head of the bad lot on the market changed hands.

YESTERDAY was the dullest court in a long time. A large crowd was in town but it did little or nothing save sit around and talk.

THE K. C., due here at 8:50 P. M., arrived at 7 this morning. The day train left the track near Paint Lick and caused the delay.

REPUBLICANS were here yesterday from Waynesburg to Hubble and from Rockcastle to the Boyle line. We didn't hear what they were up to, but naturally suppose they were after office.

TO ALL IT MAY CONCERN.—I shall be greatly obliged to those to whom I have sent statements, or those knowing themselves indebted to Dr. Bailey, if they will come and settle. I need the money. Mrs. Steele Bailey.

At the Methodist church at Buckeye, Garrard county, two men named Tudor engaged in a quarrel with a Mr. Murphy. The latter took refuge in the church and the Tudors shot him through the window and probably fatally wounded him. Magistrate Stapp ordered the church officials to arrest the Tudors and upon their refusal he shot one of them. One of the Tudors is in jail at Lancaster.

### Mother's Devotion

To her children is one of the most beautiful things in life. When they are sick, the wise mother, who has taken the pains to study their best interests, promptly gives them Dr. Caldwell's (laxative) Syrup Pepsin. It quickly relieves pain and fever, and can never do anything but good. Try it. Penny's Drug Store, Stanford, C. W. Adams, Hustonville.

Judge J. W. Congleton has resigned as Judge of the Wolfe County Court and Gov. Beckham has appointed J. P. Howe to succeed him.

The first building used as a Statehouse for Kentucky, in which was convened the first session of the Legislature, was in Lexington on June 1, 1792, in a log building, two stories high, standing near the center of the city on the east side of Main street, between Mill and Broadway. It was only used as a Statehouse until the close of the second session on Dec. 22, 1792. The sum of \$15 was appropriated "to the person who cleans the Statehouse" and \$25.74 for other expenses, which included "raising a pole and flag," a table for the use of the State and repairs; \$40.74 for the entire expense of the two sessions for incidentals when the Legislature adjourned as above on Dec. 22, 1792.

### Cuban Diarrhoea.

U. S. soldiers who served in Cuba during the Spanish war know what this disease is, and that ordinary remedies have little more effect than so much water. Cuban diarrhoea is almost as severe and dangerous as a mild attack of cholera. There is one remedy, however, that can always be depended upon as will be seen by the following certificate from Mrs. Minnie Jacobs, of Houston, Texas: "I hereby certify that Chamberlain's Colic, Cholera and Diarrhoea Remedy cured my husband of a severe attack of Cuban diarrhoea, which he brought home from Cuba. We had several doctors, but they did him no good. One bottle of this remedy cured him, as our neighbors will testify. I thank God for so valuable a medicine." For sale by Lyne Bros., Crab Orchard, Ky.

## ARE YOU EASY

In your Shoes? Are your feet hurting you? If so then you are very uncomfortable. This is not always due to the same cause. You can get your shoes too small, too large, too short or too narrow, or not the right shape for your foot and this causes untold suffering. If you will come to us and give us time to fit your foot we will save you a great deal of unnecessary pain and worry. In foot wear we have almost anything you want. Patent leather shoes, high and low cuts for men, boys, women and children. Tans in high and low cuts for men, women and children. The old ladies' house or common sense slipper, wide toe and low heels; same in men's. A thing of comfort, if not of beauty. White canvas low shoes in ladies', misses' and children's sizes. Infants, children's and misses' barefoot sandals. In heavy shoes for rough service we have almost everything from a dollar Brogan up.

H. J. McROBERTS, STANFORD.

MRS. ANN W. ROBINSON, EXECUTRIX. J. C. ROBINSON, EXECUTOR.

### TEMPLE HILL STOCK FARM.

Magoffin Place, City Limits, Harrodsburg, Kentucky.

Red Leaf, 4-year-old, record 2:22 in 9th heat over one-half mile track. Sire of 5 with records better than 2:30. Champion show horse of Kentucky and leading sire of high-class road horses and teams. \$25 to insure a living colt, and a good one at that, or \$12.50 the season.

I claim it is to the best interest of the owners of horses of Mercer and adjoining counties to breed to Red Leaf—1st, Because he is not for sale; 2nd, Because he is a pure bred and a better record as a show horse, having won 58 out of 68 shows, than any stallion in Mercer or adjoining counties; 3rd, Because his colts have taken more premiums than those of any stallion in Mercer or adjoining counties; 4th, Because he has a better record as a race horse, having won 10 out of 12 races, than any stallion in Mercer or adjoining counties; 5th, Because Red Leaf is the only horse sired by a horse with a record of 2:18 (C. F. Clay), who has sired 8 colts with records better than 2:30, and with a dam (Lad Hart) that every colt and would have sold for \$1,500 to \$2,000, whose dam's sire (Red Wilkes) sold for \$30,000 for a half interest, and who himself (Red Leaf) sold at three years old for \$1,000 and at 14 years old for \$1,750, and that has himself sired 14 colts to sell for over \$100—some as high as \$2,000—and teams from \$1,500 to \$2,000, in Mercer or adjoining counties; 6th, But for speed and they all took records; 7th, But one of Red Leaf's colts was ever raced, and he started in 11 or 12 races, winning first in one and second in all the others, as shown by the Year Book, and showed miles in 2:18 in the world. If you want a show horse, he has proven he can get them of the highest quality, a three-year-old mare by him showing through the circuit in regular and sweepstakes and winning 24 out of 26 shows—something equalled only by the world's famous Gypsy Queen. If you want a business horse, he can get them that will sell for the highest dollars, and his fillies are sure to be great brood mares. If these are not facts, why not?

I also have a good Black Jack to stand at \$5 to insure a living colt. R. E. GODDARD.

If your feet could speak they would cry for

so loud that you would have to buy them!

Your shoes will never be "URFIT" unless they are MANS'. They will slip up and down at the heel and wear holes in your stocking, gap at the sides and collect the dirt, wrinkle, twist out of shape.

"URFIT" device in

retains the fashionable shape and dressy appearance, prevents sides gaping or wrinkling, and heel slipping.
